From the Race Director

1988 was a banner year for River Run 15,000. 6,000 runners entered the 15K and 1,280 entered the two mile. The 7,280 total is the highest in our eleven year history. I would like to thank each one of you for participating in our Spring classic.

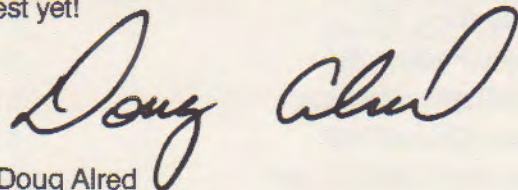

I was very proud of our American runners this year. They took home \$33,200.00 of the \$42,000.00 in prize money. I hope this money will help in their preparation for the 1988 Olympics. Look for some of their names in the marathon and 10,000 meter Olympic events.

River Run is blessed by its great sponsor participation. Southeast Bank, Gate Petroleum Company, Ronzoni the Premium Pasta, and Office Equipment and Supply Company were all back to provide the financial support necessary to make this mega event happen. Cellular One, New Balance and American Transtech joined in this year, adding the financial backing we need to make River Run the best road race in America.

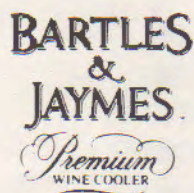

What about the finish line goodies!!! It's nice to have such a treat waiting for you at the finish after working so hard to conquer the Hart Bridge. The sponsors make it all possible. Gatorade, Bartles and James wine coolers, Coors beer, Florida Gold orange juice, Delmonte bananas and Quaker granola bars were all donated by the sponsors for your enjoyment. Albertsons donated lots of fruit and other items and provided volunteers to distribute the products. With the addition of River Fest this year we have got to have the best post race party in the World. I hope you will remember our sponsors and conduct business with them in the coming year.

I would like to personally thank each volunteer who gave their time so others could run. Each year our need for volunteers grows. If you know someone who worked the race, be sure and thank them. We would love to have them help again next year.

Keep up the good running. Mark March 4th on your calendar for 1989. We will do our best to make the 12th running of River Run 15,000 the best yet!

Doug Alred
Race Director

A black and white photograph capturing the starting line of a race. A large, dense crowd of runners is in motion, moving from left to right across the frame. They are wearing various athletic gear, including t-shirts and shorts. In the background, a long banner is stretched across the scene, featuring the words "START LINE" in large, bold letters, followed by "GATE PROGRAM CO." and a logo on the right. To the left of the runners, a building with several windows is visible. The overall scene is dynamic and captures the energy of the race's beginning.

WATER WATER EVERYWHERE AND LOTS OF WATER TO DRINK

A special thanks to all of those hard working water station volunteers. They all do a real good job.

Once again we had a competition between the water stations. The stations were rated on how well they provided water, decorations and entertainment. Awards were given to the top three water stations. The winners were:

1. Bell South Advertising... Located at the 7 mile mark on Gay Street at Atlantic Blvd.
2. Southern Bell... Located at the 4 mile mark... they had 225 volunteers. Located on River Road.
3. A TIE
Baptist Medical Center... Located at the 2.5 mile mark on San Marco Blvd.
and
MacDonald's... Located at the 7.5 mile mark on Atlantic Blvd.

All water stations were excellent this year. Other stations receiving honorable mention for a job well done in the order of their location on the course.

Innovation Doesn't Carry The Weight It Once Carried.

Conventional wisdom dictates that the more innovations a shoe features, the more it weighs. But examine for a moment the rather unconventional New Balance 830.

It's full of performance features, including our C-Cap® midsole that incorporates a rebound wedge in the heel and a unique acceleration pad in the forefoot. It has a durable 3-density outsole. *Yet it weighs a mere 264 grams.**

The New Balance 830. Proof once again that, when it comes to innovation, we don't drag our feet. Or yours.

YOUR PRACTICE MAKES US PERFECT.

You hardly need to be reminded about the demands on your professional whereabouts. Your constant accessibility.

We would only remind you that if practice makes perfect, Cellular One car phones check out quite well.

Cellular One is the largest, most advanced mobile phone company in America. Giving you access to AT&T's complete Autoplex™ cellular system, including long distance lines, and our own quality, local service.

We think once you experience the clarity, precision and the sheer accessibility with which the Cellular One mobile phone operates, you simply won't want to make your rounds without it.

That's our professional opinion. Call and let's discuss it.

WHEN YOU'RE THE BEST, WORD TRAVELS.™

Sono Buoni

We support the River Run every step of the way.

Commitment. No endeavor, whether it's in the world of athletics, finance or community service, can succeed without it. Which is why we salute the Jacksonville Track Club for keeping the River Run on the right track for eleven years now. As the 1988 Gold Medal Sponsor, we proudly continue that commitment by lending our enthusiastic support to the Jacksonville River Run.
