The 1994 Gate River Run was a picture perfect race. Great weather, great spectators, great sponsors and great runners! Todd Williams of Knoxville, Tenn. and Anne Marie Letko, Marietta Ga. became the USA 15K National Champions. Each winning \$10,000 for their efforts.

The field was a who's who of American road racing. See bottom picture. #1 Todd Williams, 1992 Olympic Finalist in the 10,000 meters, #12 Jacksonville's Jerry Lawson. His 2:10 marathon this year was the fastest by an American in four years. #3 Steve Spence, two time River Run champion and third in the Marathon in the World Championships. American Record Holder (27:22) for the 10K road distance, #8 Mark Nenow, and eight time National Cross Country Champion, #6 Pat Porter lead the runners out of the starting area on Adams Street.

5,726 runners finished the Gate River Run this year making this our fourth largest year in history. An interesting note about this year's finishers. There were more women finishers this year than in 1992 when our total finishers was 6,200. Way to go gals!

River Run is very fortunate to have so many good sponsors and volunteers. They make our race so much easier. Through our sponsors funding we gave over \$55,000 in prize money to our top ten men and women overall. This was all given to American athletes. Our goal was to put money into the hands of our American distance runners so that they can afford to live as runners and get ready for the 1996 Olympics.

Our numerous volunteers made it possible to add one more water station this year, making ten in total. By the way, this year's winning water stations were, first-the Rolm group at seven miles, second, Gate- at the two mile mark and third goes to Southern Bell near the four mile mark., Many thanks to the other water stations. Baptist Medical Center, AT&T, Runners for Christ, Sports Authority, Toyota and Advanced Rehab. Also thank you to the volunteers at the finish line. Gate and the Jacksonville Jaguars helped us collect your tags and get accurate times on all the finishers. Thanks to all the volunteers who came to the expo at the Convention Center and helped us with registration and packet pickup. A very special thank you to Jane Alred, Tom Skordas and John Thrush for their many hours of hard work. You make directing the Gate River run a pleasure.

The 1995 Gate River Run will once again be the USA 15K National Championship. Race date is March 11, 1995. We hope you will spread the word to all your running friends. Hopefully, we will be back to our usual starts and finish next year.

Good luck with your running,

Doug Alred

Jacksonville Track Club

MEMBERSHIP APPLICATION

The Jacksonville Track Club (JTC) is a non-profit organization established for the purpose of running development on a community, regional and national level. It is a member of the Road Runners Clubs of America (RRCA). Membership is open to persons of all ages and abilities.

FUNCTION

The JTC has a dual purpose function. First is the development of local community running programs supported directly by JTC funds and membership participation.

Secondly, the JTC supports an "open-class" group of developing cross-country, road running and track and field athletes who represent the club competitively.

ACTIVITIES

The club activities include sponsorship of many year-round cross-country and road races, including River Run 15,000, The Beaches 5 and 10 mile runs, The Ginger Fannin-Couples Run, The Last Gasp Cross Country and the JTC Women's Run. The JTC also coordinates track meets during the spring and summer for members and the community. Open training runs are held throughout the year.

During the summer the JTC sponsors age-group developmental programs for young runners and twilight track meets for all ages.

Membership in JTC includes the following:

- Monthly newsletters which include timely articles and a race calendar of upcoming races in North Florida and South Georgia.
- Discounts at several area shops on shoes and apparel. Details in the newsletter.
- Discount at all JTC sponsored races.
- Use of track facilities at select local schools.
- Membership in the Road Runners Club of America which provides the quarterly newspaper "Footnotes".
- Monthly meetings featuring highlights of JTC activities and guest speakers. See the newsletter for details on time and place.
- Eligibility to purchase official JTC racing uniforms and other gear.

Fluids.
Minerals.
Energy.

Gatorade.
Nothing
works better.

Gatorade. For that deep down body thirst.
